If you have ever wondered how top pick up artists and seducers are able to HAVE A CONTINUAL STREAM OF WOMEN in their lives, and what they do that other men don't, then wonder no more, you are able to find out.

If you have learned or read a little about seduction, but JUST CAN'T SEEM TO MAKE IT WORK, you FREEZE UP or STALL IN THE MIDDLE OF CONVERSATION, or you have never seen it done before and would like some EXAMPLES TO MODEL, then you are in luck.

If you are looking for a game plan, a way to BALANCE YOUR BUSY LIFE with the attractive women you want to meet, if you wish to enrich your life by building a strong social circle of men and women, and you are interested in learning more about seduction in general, then this COURSE is the best starting point for you.

This is the course that will change your reality. The information we teach in this 14 hour course is what you need to know to start connecting with and attracting women. We do an intensive in the classroom seminar about key concepts such as vibing, connections, the social matrix, how to be an alpha man, how to attract a woman and leave with her phone number, a kiss, or more, plus much more topics.

Please note, there is a discount if you do The Art of Attraction on July 13th and 14th, AND the Enlightened Seduction day on July 15th. See below for details.

ZAN is known as the **WORLDS GREATEST SEDUCER** and has been written about in the New York Times bestseller, *The Game* (Neil Strauss, 2005). His Enlightened Seduction website is found at www.enlightenedseduction.com.

This is a classroom session that will, for the first time, give you these beliefs, these examples, these methods, over the course of seven highly structured and organized hours, which will be followed by a question and answer period.

The benefit from this course is that it will give you an entirely new perspective on seduction and leave you pondering the content for weeks to come.

And women are invited to attend with the understanding that although the higher levels and philosophical thoughts about seduction will be presented, this course is still taught from a male perspective. However, women will be able to gain special insight into the mind of male seducers which will create insights into how women can attract men.

There will be a lot of high level philosophical ideas presented that will have you thinking about seduction in a different way. **This course is suitable for both men and women.** However, this is in classroom only. If you are looking for actual experience/coaching interacting with women, please take this and the Art of Attraction course.

In fact, we so encourage women to come, that women will receive \$150 rebate after the course. So tell your friends!

Friday, July 13th, from 3:00pm - 5:00pm (classroom) and 10:00pm - 12:00pm (in-field, which will be in the same session as the Art of Attraction).

Cost: \$375 CND and GST for both the classroom and the in-field.
\$225 CND and GST for the classroom portion only.

This is a different method of seduction where you let a girl know you like her in a direct way. The way we do direct is different from most other people's way, we rely on rapport and charm. This will shorten the time needed for the attraction and seduction of women and you will feel stronger in your interaction with women.

The benefit of this course is that it is a new and different perspective on seduction that will get you closer to your goal of becoming a natural seducer. This course teaches you how to seduce a woman very quickly.

Please not, it is recommended that you have a fair amount of experience with women before taking this course.

Cost: \$100 CND and GST.

When you and your friends go out together, do you guys accidentally mess up each other's interactions, or just stare at each other all night, unsure of what to do? You and your wingman can actually help each other attract and seduce women you've just met, in an effective and powerful way. This seminar teaches rules and tactics.

The benefit of this course is that it will teach you how to work with your wings so that you *do not lose the girl* by getting into each others way and it takes this a step further by showing you how you two can work together to attract groups of girls.

As a bonus to this course, we will add a special segment on club and AMOG tactics.

SPECIAL IN-FIELD SESSIONS/PRIVATE COACHING

In-field (club, street, mall, etc...)

Please inquire if you are interested in personal coaching. We will arrange a session with you as per our schedule.

Cost: please inquire. Average is from \$200-\$400 CND/session.

This is the POPULAR, fun, stressful, and highly sought after instruction where we go out and coach the student in his interactions with women, correcting things such as pacing, timing, body language, vibing, and handling other guys.

Coaches will also demonstrate out in field as well. Workshops are tailored to the student and his knowledge in seduction.

The benefit of this course is that it gives you personal advice and correction on how to physically meet women, an area that most men are weak in. And that is the first step, beyond that we open a whole ocean of information, advice, and methods on how to attract women. This is invaluable training.
